

AVOID SEWER SYSTEM BACKUPS and PROTECT SEWAGE INFRASTRUCTURE

We need your awareness and cooperation to ensure that there are no blockages within your sewer systems.

**Please flush ONLY bodily waste and toilet paper down toilets.
DO NOT flush:**

**baby wipes/cleaning wipes
condoms
diapers
facial wipes
grease
hair
dental floss
medications
sanitary pads
tampons
tampon applicators
trash**

**or any other similar item, EVEN IF THEY ARE LABELLED
"FLUSHABLE".**

Residents are responsible for instructing and ensuring that visitors and guests do the same.

Owners/Tenants can be held responsible for costs related to sewage clean up and repairs if they are responsible for flushing inappropriate items.

With thanks,
Advanced Property Management & Real Estate
